Weight - net	13 lbs
Shipping dimensions	12" x 19.5" x 14"
Shipping weight	16 lbs
Warranty	RELIABLE™ 1 Year Warranty

DESCRIPTION

The i500A has been designed from the ground up to deliver superior quality dry steam, and provide the best possible user experience.

The i500A offers a quick, efficient way of cleaning away polishing compounds, fingerprints, soap spots and dirt.

RELIABLE™ understands that the quality of a steamer is only as good (no matter how nice it looks) as what is inside it. This is why we use the best components available; 12-gauge wiring throughout, a ceramic (not plastic) terminal block, and an all stainless steel steam tank to eliminate the chance of rust.

BEST USED FOR

Cleaning all types of compounds
Fingerprints, soap spots and dirt
