<b>Shipping weight</b>	16 lbs
<b>Warranty</b>	<b>RELIABLE™</b> 1 Year Warranty

## DESCRIPTION

The i500B has been designed from the ground up to deliver superior quality dry steam, and provide the best possible user experience.

The i500B offers a quick, efficient way of cleaning away left over wax, plaster waste and other debris, and for polishing the final product.

**RELIABLE™** understands that the quality of a steamer is only as good (no matter how nice it looks) as what is inside it. This is why we use the best components available; 12-gauge wiring throughout, a ceramic (not plastic) terminal block, and an all stainless steel steam tank to eliminate the chance of rust.

## BEST USED FOR

Wax and plaster removal  
Polishing and cleaning

## FEATURES

- i37 steam gun
- Automatic shut-off - with low water light indicator
